

COMMUNITY NOTICE

TEMPORARY PROJECT CAR PARK OPENING FROM 3 JUNE 2020

\$150M GOULBURN HOSPITAL AND HEALTH SERVICE REDEVELOPMENT PROJECT

WORK UPDATE

Hansen Yuncken is nearing completion of the work to construct a Temporary Project Car Park on the vacant site at the corner of Mount and Fitzroy Streets. The Temporary Project Car Park will minimise the impact of contractor and project related parking on local residents and road users during the Hospital redevelopment. The provision of temporary project car parking is a condition of consent (SSD-8667) for the Goulburn Hospital and Health Service Redevelopment.

THE CAR PARK IS STRICTLY FOR GOULBURN HOSPITAL AND HEALTH SERVICE REDEVELOPMENT CONTRACTOR AND PROJECT TEAM PARKING

DATE OF OPENING

The temporary project car park will be completed on Monday 1 June 2020 and open for contractor use from Wednesday 3 June 2020.

SAFETY IS OUR NUMBER ONE PRIORITY!

- On opening a period of 'safety observation' will be undertaken (at peak entry and exit times) to ensure the safe movement of pedestrians and vehicles around the car park.
- Contractors using the temporary project car park have been requested to use entry and exit routes which direct the flow of traffic away from local schools.
- The car park is a non-smoking site.
- The temporary carpark design includes levelling and surfacing, stormwater management, fencing and signage suitable for the temporary duration.

HANSEYUNCKEN

WHAT TO EXPECT?

Every effort will be made to minimise disruption to our neighbours and the community. We encourage you to contact us if you have any enquiries or concerns.
